## WORK EXPERIENCE

---

### Web Developer Internship

#### BlobStation

📅 March 2022 - current

📍 Montreal, QC

- Worked with senior developers and assisted them in building beautiful web applications with modern JavaScript frameworks.
- Developed using Node.JS, React, GraphQL and REST APIs to enhance functionality and user experience on web pages.
- Implemented front-end technical solutions with MaterialUI and Bootstrap to meet project requirements for creation of web pages.
- Worked in Agile, collaborative environment to receive design requirements, peer program and unit testing applications.
- Maintain current website to make sure they are functioning correctly.

## PROJECTS

---

### E-Cash

- A responsive full-stack web app built using MERN stack allowing users to make a user login, operate database using GraphQL and REST APIs. Also, used JSONwebtoken for security and MaterialUI to create a stunning UI.

### NewsKreen

- A web app built using React and Node.JS to show the categorized latest news around the world or in a particular country according to the endpoint of the API and used MaterialUI for a user-friendly UI.

### De-Notes

- A Sticky Notes clone built using React, Json-server and Node.JS to allow users to create notes and add tags to the created notes which are stored in a JSON file and further displayed using RESTful APIs.

## CAREER OBJECTIVE

---

Web Developer with a proven ability to collaborate effectively with senior developers while spending extra time to be mentored. Enjoy working closely with team members to ensure workloads are effectively redirected to bottlenecks and personally picking up the slack when necessary. With a passion for both personal growth and for software development, Worked through 1000+ hour coding bootcamp to learn new languages like JavaScript, Node.Js, ReactJS, Express.JS, PHP while sharpening existing skills. Ready to apply my passion for coding to a talented engineering team to develop quality solutions.

## EDUCATION

---

AEC in Web Integration Techniques

**ISI, L'institut Supérieur d'Informatique**

📅 2020 - 2022

📍 Montreal, QC

## SKILLS

---

HTML, CSS
